	Suitable
Floors	
Walls/Backsplashes	✓
Countertops	
Pool Linings	

Suitable for exterior applications in freezing and non-freezing climates when proper installation methods are followed.

Suitable for use in wet areas such as shower walls.

INSTALLATION

Grout Joint Recommendation	Shade Variation
1/8"	 Random (V4)

TEST RESULTS

	ASTM#	Abrasive and Non-Abrasive Result
Water Absorption	C373	< 0.5%
Breaking Strength	C648	> 100 lbs
Scratch Hardness	MOHS	4.0
Chemical Resistance	C650	Resistant

Strong random shading enhances the natural beauty of this product. To achieve optimal results, tile should be selected from multiple cartons and shading arrangement planned prior to installation.

Since there are variations in all glass products, tile and trim supplied for your particular installation may not match these samples. Final color selection should be made from actual tiles and trim and not from tile samples or color reproductions. Manufactured in accordance with ANSI A137.2 standards.
