Order Form

The grids below represent a single standard sized sheet. The following grids are for working with modifications of standard tile patterns or original tile patterns. Single sheet repeat patterns offer the biggest savings from both a manufacturing and installation standpoint.

Specify color choices by clearly detailing all placements in the grid using an appropriate code to represent the desired pattern. (For example, color #1 = X, color #2 = +, color #3 = O, etc.)

Please photocopy this form and use it to submit custom patterns. All orders or questions may be submitted to your local Daltile representative.
