March to your own beat with the melodious collection, Chord™. Find rhythm in the appeal of the 12 x 24 decorative accent which succeeds as a solo or duets beautifully with floor tile. Three colors offered in a plaster graphic and three colors offered in a cement visual are all available in unpolished and light polished finishes. A three-inch triangle mosaic is the final note in this harmonious composition.

- **RESONATING DEPTH**
  - Three light colors feature a plaster graphic and random gloss application that adds a reflective element
  - Three dark colors in a cement visual worn by time and nature
  - All colors available in unpolished and light polished finishes

- **NOTABLE OFFERING**
  - 12 x 24 decorative accent that can be paired with floor tile or used as a stand-alone design
  - Distinct three-inch triangle mosaic available in all six colors

## NOTES

Since there are variations in all fired ceramic and natural products, tile and trim supplied for your particular installation may not match samples. Final confirmation should be made from actual tiles and trim prior to installation. Manufactured in accordance with ANSI A137.1 standards.

Not for use on ramps. Water, oil, grease, improper drainage and certain footwear can create slippery conditions. Floor applications expected to be exposed to these conditions require extra caution in product selection.

For additional information refer to “Factors to Consider” at daltile.com/Factors.

Special consideration needs to be given when installing tiles greater than 15 inches. Please refer to daltile.com/LargeTiles for more information.

Special care should be taken when grouting with dark pigmented colors. A grout release is recommended to prevent finely powdered pigments from lodging in the pores of the surface. Use of a latex modified thin-set is recommended for installation.
