Crafted with Character
Concrete Masonry™ was inspired by the Italian word “cassero” meaning formwork. This process involves the creation of concrete, which leaves ridges from a wood mold – the linear effect is from the wood grain transferred to the concrete, creating a wood-concrete blend visual. Concrete Masonry™ has a mainstream aesthetic – fitting for design styles like wabi-sabi, modern, and industrial.

- **LINEAR LOOK**
  - Offered in large-format size of 16 x 32
  - Deco pieces are also offered in a coordinating 16 x 32 size

- **SIMPLISTIC STYLE**
  - Color selections in light, medium, and dark grey tones
  - TruEdge™ rectification technology ensures precise edges and tight grout joints for a seamless and more authentic look

Cover and above photos feature Concrete Masonry™ 16 x 32 Sculpture Grey on the wall and 16 x 32 Rebar Grey on the floor.
