IMAGINE WHAT'S POSSIBLE™

Dramatic Dimension

Add sophistication to any space with the naturally occurring veining of Fonté. This collection offers a rich color palette with striking hues of whites, greys, and blues. Fonté will take your designs to new heights with its high-end visual selections.

- **MODERN MOVEMENT**

- The linear visual of Fonté is a result of the natural vein cut of the stone which creates a sophisticated look
- Offered in rectangular sizes such as 3 x 9, 6 x 24 and 12 x 24

- **ROBUST MOSAIC PACKAGE FOR FLOOR AND WALL APPLICATIONS**

- The rotating hexagon mosaic is a unique and exclusive shape
- The double leaf and picket mosaics combine ceramic and natural stone elements
- Herringbone and 2" hexagon mosaics are perfect for shower floors or backsplashes

NOTES

Natural stone products inherently lack uniformity and are subject to variation in aesthetics (color, shade, finish, etc.) and performance (hardness, strength, slip resistance, etc.). Natural stone products do not meet minimum coefficient of friction thresholds recommended by safety standard setting organizations. No warranties, expressed or implied, relative to merchantability or fitness for a particular purpose are made regarding the natural stone products distributed by Dal-Tile. Check local building codes prior to specification or installation to verify that product technical characteristics comply with required parameters.

The existence and dimensions of a bevel may vary from lot to lot. Be sure to request a sample of the specific lot you are planning to order if the bevel is an important feature of your job.

For additional application and technical information, refer to the "Stone Usage Guide" at daltile.com/sug.
