FLOOR

VOLUME 1.1™
GLAZED PORCELAIN with REVEAL IMAGING®
Solid Colors for Solid Design

Amp up any space with an eye catching pop of color. Available in multiple colors and in 12 x 12 and 12 x 24 stylish large-format sizes, Volume 1.1™ tile is the perfect material for schools and commercial applications.

• VIVID DESIGN
  - Vibrant colors coordinate with the cement graphics and neutral palette of the Volume 1.0™ Collection
  - Inspired looks presented in a variety of sizes

• RESILIENT PERFORMANCE
  - Ideal for schools, office and healthcare
  - Designed to be durable in the most active interior spaces

All or select items within this series meet the requirements for these qualifications. For more information visit daltile.com.

PERFORMANCE CHARACTERISTICS

ASTM#    Result
---      ----
Water Absorption C373  < 0.5%
Breaking Strength C648  > 275 lbs
Scratch Hardness MOHS  8.0
Chemical Resistance C650  Resistant
Abrasion Resistance C1027 N/A*

A DCOF value of ≥ 0.42 is the standard for tiles specified for level interior spaces expected to be walked upon when wet, as stated in ANSI A1371-2012, Section 9.6. For more information about DCOF and the DCOF AcuTest®, visit daltile.com/DCOF.

APPLICATION NOTES:
Suitable for exterior applications in freezing and non-freezing climates, when proper installation methods are followed.

NOTES

Since there are variations in all fired ceramic and natural products, tile and trim supplied for your particular installation may not match samples. Final confirmation should be made from actual tiles and trim prior to installation. Manufactured in accordance with ANSI A1371 standards.

Not for use on ramps. Water, oil, grease, improper drainage and certain footwear can create slippery conditions. Floor applications expected to be exposed to these conditions require extra caution in product selection.

For additional information refer to “Factors to Consider” at: daltile.com/Factors.

Special consideration needs to be given when installing tiles greater than 15 inches. Please refer to daltile.com/LargeTiles for more information.

Use of a latex modified thin-set is recommended for installation. For more information, visit daltile.com.
