GENERAL TERMS AND EXCLUSIONS

Langton Luxury Vinyl Flooring is warranted as indicated above in continuous climate controlled interior environments. The following general terms and conditions apply. If you have questions regarding the warranty information, please contact Customer Service, your retailer or Daltile sales representative.

1. These warranties apply to Langton Luxury Vinyl Flooring when installed and maintained in accordance with our most recent installation and maintenance procedures. For the most up-to-date procedures, please visit daltile.com/LVF. The original owner agrees to provide proof of compliance with recommended installation and maintenance procedures when a claim is filed.
2. These warranties apply only to the original owner and the first installation of the product and are non-transferable. The “original owner” is the person stated as the buyer on the purchase document(s). This warranty applies only to first quality Langton Luxury Vinyl Flooring purchases.

3. DalTile will, at its option, repair or replace product not meeting the above listed warranties. When replacement of the flooring is made, only new material from the current product range at the time of the claim will be supplied by the distributor or retailer. There will be no other form of compensation. DalTile's responsibility under this warranty only applies to hidden defects that were not visible before or during the installation of the Langton Luxury Vinyl Floor. Material installed with visible defects is considered accepted by the owner.

4. Open joints of 0.01 inches (0.2mm) or less are not considered a defect under the joint integrity warranty. Joints compromised by improper installation, lack of continuous climate control, or obstructions creating pinch points are specifically excluded by this warranty.

5. These warranties do not apply to Langton Luxury Vinyl Flooring that has been subject to abnormal use or conditions or abused in any way. "Abnormal use or conditions" includes but is not limited to damage from rolling loads; damage from plumbing or appliance leaks, storm, or flood; damage from smoke, fire, or other casualty events; damage caused by negligence or improper alterations of the original manufactured product. "Abuse" is any use of the flooring that is unreasonable considering the normal and expected uses of Langton Luxury Vinyl Flooring in a residential or light commercial environment. The feet of furniture must always be covered with appropriate protective material. Chairs, sofas, or furniture with castors must be fitted with soft rubber wheels and placed on an adequate protective mat or be placed in protective castor cups.

6. The waterproof warranty excludes damage to furniture, fixtures, walls, subfloors, moldings, trims, underlayments, radiant heating elements, or anything not related to the Langton Luxury Vinyl Flooring. Also, any damage resulting from mold and mildew growth is not covered under these warranties.

7. Walk-off mats must be placed at all exterior entrances to protect Langton Luxury Vinyl Flooring from soil, grit, deicers, asphalt sealers, and other contaminants capable of damaging Langton Luxury Vinyl Flooring. Suitable walk-off mats should contain both soft and firm fibers to facilitate removal of wet or solid contaminants from shoe soles. An extra set of walk-off mats should be available for each entrance so the mats can be replaced and cleaned weekly during routine maintenance, or more often depending upon site and weather conditions. This routine will prevent walk-off mats from becoming the source of tracked-on contaminants. Walk-off mats should be large enough to allow adequate soil removal.

8. These warranties do not apply to damage from exposure to extreme heat or sunlight exposure, dryness, or stains as a result of chemical or industrial products (other than recommended cleaning products). Windows coverings should be used during periods of intense sunlight to avoid intense heating of flooring product.

9. These warranties exclude damage caused by hydrostatic pressure (water or moisture under the floor that is transmitted to the surface through exerted pressure) or other conditions that result in water or moisture below the floor.

10. Material must be checked carefully for defects before and during installation and under sufficient lighting. Products with visible defects must not be installed under any circumstances. The retailer must be informed in writing of such defects within 15 days. After this time has elapsed, no further claims will be accepted. Color and gloss issues resulting from material added to an existing installation at a later date and non-warranty related repairs are excluded from coverage.

11. ALL IMPLIED WARRANTIES WHICH MAY ARISE BY IMPLICATION OF LAW OR APPLICATION OF COURSE OF DEALING OR USAGE OF TRADE— INCLUDING BUT NOT LIMITED TO IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS

LANGTON™ LIMITED WARRANTY

FOR A PARTICULAR PURPOSE—ARE EXPRESSLY EXCLUDED. NO WARRANTIES, EXPRESS, IMPLIED, STATUTORY, OR OTHERWISE, EXTEND BEYOND THOSE EXPRESSLY SET FORTH IN THIS WARRANTY BROCHURE, AND ALL SUCH WARRANTIES ARE EXPRESSLY DISCLAIMED.

By implied warranties DalTile means warranties that the law presumes to have been given by the seller even though they are not set out in writing. **PLEASE NOTE:** Some states do not allow the exclusion or limitation of incidental or consequential damages, or limitations on how long an implied warranty lasts, so the above limitation or exclusion may not apply to the original owner.

LIGHT COMMERCIAL DEFINED

DalTile warrants only first quality products for recommended light commercial use such as those outlined in the Application Chart. Warranted products will perform properly for the stated warranty period when installed in accordance with DalTile LVF Installation Guides over approved

substrates and underlayments, using the recommended adhesives if applicable. The warranty period, when valid, begins on the date of the original installation.

- Light Commercial use is defined as use in environments, which do not experience normal to heavy commercial traffic, such as those outlined in the Application Chart below. **PLEASE NOTE,** warranty exclusions apply with respect to casters and other rolling loads, due to the unusual characteristics of this type of wheeled traffic. For frequent or heavy rolling conditions, click flooring products can be glued down to help reduce the risk of joint separation from rolling load traffic. Our warranty, however, still excludes any problems associated with rolling loads.
- The intended applications include privately owned in-house businesses, such as daycare centers, doctor/dentist offices, and barber/beauty shops. For questions as to the type of use that is considered "Light Commercial", please contact DalTile Customer Service prior to purchase and installation.
