Natural granite varies from piece to piece and Daltile makes no assurance to Registered Owner that any such replacement granite will match the Countertop installed in the Registered Owner's home. Any replacement granite provided by Daltile to the Registered Owner under this limited warranty will be covered under this limited warranty during the remaining Warranty Period.

Daltile makes no warranty, express or implied, as to the fitness or merchantability of the Countertop for any particular use or purpose other than as set forth expressly herein. Daltile shall not be liable for any special, indirect, incidental or consequential damages, losses or expenses arising either directly or indirectly from the failure of the Countertop.
