**oceanside** GLASS & TILE® *Made Easy* By **daltile**®

Use the Oceanside Glass & Tile Made Easy Tool to create the perfect design for your home.
It is as easy as 1, 2, 3!

STEP 1: CHOOSE YOUR COLOR(S)

There are **27 colors** that are organized into two palettes below. We grouped browns, neutrals and greens into the Earth Palette and green-blues with deep blues into the Ocean Palette for easy viewing. You can decide to make your project with a singular color or add as many as you want to create a blend of multiple *colors.
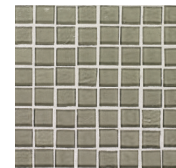

## Earth Palette
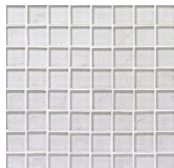

| Oxygen	White	Satin	Tundra	Platinum	Sandbar
Solana	Café	Bolsa Chica	Bronze	Anchor	Black
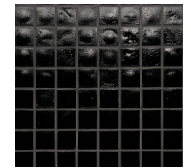

## Ocean Palette

| Silverlight	Fleet Blue	Catalina	Nalu	Tide	Pacific
Kai	Tropical Reef	Bondi	Peacock	Bayou Blue	Sapphire
			La Jolla	Montego	Tourmaline
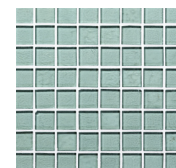

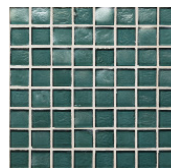

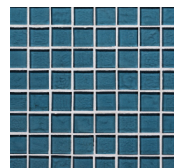

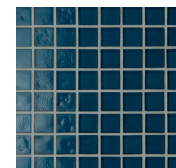

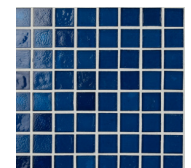

For further inquiries, please contact your
local Daltile Representative

Color shown above are all in Non-Iridescent with the exception of Bronze, Tourmaline, Satin and Peacock which are only available in Iridescent finish.

PRE-DETERMINED BLENDS

We offer some pre-determined blends which you can choose from including same and/or blends of colors in various finishes.

STEP 2: CHOOSE YOUR FINISH(ES)

Each of our *27 colors* comes in *3 different finishes* that you can use: **Iridescent, Non-Iridescent, and Matte**.
You can decide to keep your color or blend of colors all one finish or mix and match! See their descriptions below.

Iridescent
Metallic finish fused onto the glass that appears to gradually change colors when seen from different angles

Non-Iridescent
glossy natural finish

Matte
a smooth, frosted glass finish

STEP 3: CHOOSE YOUR PATTERN

We have *2 patterns* to choose from: 1"x1" and 1"x2". Please note each box contains 10 paper-face mounted sheets.
Please reach out if you have questions regarding the amount needed for your project.
