# LIMESTONE

## The Luxury of Limestone

Commonly formed in marine waters, limestone adds a soft, natural look to any design. The Daltile collection of limestone includes a palette of several neutral and organic tones including light beiges, dark beiges, browns, taupes, grays and whites. The collection incorporates multiple finishes, floor and wall sizes and coordinating mosaics and trim.

- NATURAL INDULGENCE

- Adds a soft, natural look to any space
- Versatile color palette includes several neutral and organic tones

- ORGANIC OPTIONS

- Available in multiple finishes and sizes to fit design needs
- For added options, coordinating mosaics and trim available

NATURAL STONE 8" x FREE LENGTH PATTERN GUIDE

8" x FREE LENGTH PATTERN SIZES:

Product is available only in pre-boxed sets of all three sizes. Individual sizes not sold separately.

NOTES

Natural stone products inherently lack uniformity and are subject to variation in aesthetics (color, shade, finish, etc.) and performance (hardness, strength, slip resistance, etc.). Natural stone products do not meet minimum coefficient of friction thresholds recommended by safety standard setting organizations. No warranties, expressed or implied, relative to merchantability or fitness for a particular purpose are made regarding the natural stone products distributed by Dal-Tile. Check local building codes prior to specification or installation to verify that product technical characteristics comply with required parameters.

The existence and dimensions of a bevel may vary from lot to lot. Be sure to request a sample of the specific lot you are planning to order if the bevel is an important feature of your job.

For additional application and technical information, refer to the "Stone Usage Guide" at [daltil.com/sug](http://daltil.com/sug).
