LUMINESCENCE™

A COLLECTION OF GLASS MOSAICS

MARAZZI 

DARE TO BE BOLD™

LUMINESCENCE

Luminescence™ by Marazzi is a stunning presentation of highly reflective, artisanal, poured glass modules. Sophistication is redefined through this transparent glass mosaic that reveals lustrous pearlized colors ranging from subtle neutrals to vibrant darks. The stylized 3"x4" glass rectangles project a flat surface juxtaposed by a beveled border that drops to a concave rectangular back, creating a sense of depth and intrigue. Resplendent colors with an eye-catching gleam elevate vertical spaces to extraordinary heights whether the mosaic is used in the full 9"x12" mesh-mounted sheets or cut apart into accent pieces or strips.
