SCENARIO™

Scenario™ emulates tone-on-tone brush strokes typical of majolica tiles found in Mediterranean architecture. Tiny flaws come together to make each piece unique and poetic. An interplay of opposites from six decos to three solid colors shape abstract imagery through curves and clean lines. Its streamline of movement across floors and walls creates eye-catching patterns from structured cubism to flattering waves.

**APPLICATIONS**

Target DCOF wet: Suitable

- Dry & Level – Interior Floor: N/A
- Wet & Level – Interior Floor: ≥ 0.42
- Shower Floors (Residential or Light Commercial): ≥ 0.42
- Exterior Floor Applications (including patios, pool decking & other wet areas with minimal footwear): ≥ 0.60
- Ramps & Inclines: ≥ 0.65
- Walls/Backsplashes: N/A
- Countertops: N/A
- Pool Linings: N/A

A DCOF value of ≥0.42 is the standard for tiles specified for level interior spaces expected to be walked upon when wet, as stated in ANSI A137.1-A326.3. For more information about DCOF and the DCOF AcuTest™, visit marazzitile.com/DCOF.

**INSTALLATION**

**Grout Joint Recommendation**

- Floor Tile: 3/16"

**Shade Variation**

- Medium Variation

Note: Use of a latex modified thin-set is recommended for installation. For more information visit marazzitile.com.

**NOTES**

Since there are variations in all fired ceramic and natural products, tile and trim supplied for your particular installation may not match samples. Final confirmation should be made from actual tiles and trim prior to installation. Manufactured in accordance with ANSI A137.1 standards.

Not for use on ramps. Water, oil, grease, improper drainage and certain footwear can create slippery conditions. Floor applications expected to be exposed to these conditions require extra caution in product selection.

For additional information refer to “Factors to Consider” at: marazzitile.com/Factors.

Use of a latex modified thin-set is recommended for installation. For more information, visit marazzitile.com.
